Toyville Turned Loose!

What a time the big folks and the little ones are having in this department. Toys are spread on our Fourth Floor in great style. A wonderful world this toy store of ours presents. All brought here by Santa Claus from his Arctic home to be distributed among the good children of Washington and its surroundings. We have dolls that will do most everything but breathe. Mechanical toys which work as perfectly as the machinery that drives the world. In fact, everything can be found here which will make every child happy.

35-inch Santa Doll, made with strong joints, closing eyes and hand-sewed wig—some have short, curly hair, and can be dressed as infants—this doll is the finest shown in the city 98c for the price of.....
